NEMO POPS

Servings: 2

INGREDIENTS:

- 2 1/2 cups frozen mandarin oranges
- 1/2 cup 100% orange juice
- 2 cups nonfat vanilla Greek yogurt

MATERIALS:

- 10 ice pop molds with sticks

DIRECTIONS:

- In a blender, combine the mandarin oranges and orange juice and blend until the consistency of applesauce. If too thick, add a bit more orange juice and blend once more. Set aside.
- To make the Nemo Pops, fill ice pop molds about 1/4 of the way up with fruit puree, then layer with yogurt to make Nemo's stripes; repeat layering until the molds are full. Kids can help make the stripes.
- Insert the sticks and freeze the ice pops for at least four hours. Ice pops can be stored in the freezer up to 1 week.
- When ready to eat, run warm water on the outside of the molds for about 10 seconds to remove the Nemo Pops. Enjoy immediately!
