## Ladybug's Mask

### 1. Print the mask

You can print out the mask on regular copy paper and after glue it onto cardboard paper to make it stiffer

### 2. With the help of an adult, cut out the mask

Don't forget the eye holes

### 3. Punch the holes

Punch holes on the pair of marked circles and tie the ends of a string on each hole

### 4. Try it

Voilà, now you're Ladybug!
